

Dr. Christine Heath graduated from UNC Eshelman School of Pharmacy in 2009. Following her training, Dr. Heath spent 10 years in community pharmacy as a pharmacy manager and served as a district trainer and vaccine resource for her peers. While her passion remains community and patient centered; Christine has recently joined the Mutual Drug where she serves as a Director of Pharmacy Services, Co-Lead for Flip the Pharmacy, and is also the North Carolina CDC-Lead for CPESN FPP Covid-19 Vaccine Efforts.
