

Hello! My name is Dustin Wilson and I would appreciate your vote for the available At-Large NCAP Board of Directors position. I have been a practicing pharmacist in North Carolina since 2007. I am currently an Associate Professor of Pharmacy Practice at Campbell University College of Pharmacy & Health Sciences. In addition, I work as a Clinical Faculty Pharmacist at Duke University Hospital in Durham. I have been a member of NCAP since 2007, and have served on various committees over the years. Most recently, I have served as Co-Chair of the NCAP Convention Planning Committee from 2019-2021. I have thoroughly enjoyed my time with NCAP and would love the opportunity to serve in a greater capacity. If elected, I will strive to build everlasting relationships with pharmacists throughout the state and advance the profession to improve the patients we serve.
