

Mary Parker Bio

Mary Parker, PharmD, FASHP, FCCP, BCPS, BCCP is the Acting Deputy Chief Medical Officer for VISN 6 – MidAtlantic HealthCare Network. She is a Clinical Pharmacy Specialist from Durham VA HealthCare System, who served as the Acting Chief Medical Officer for VISN 6 from October 2020 – June 28, 2021. She completed her Doctor of Pharmacy degree at Campbell University School of Pharmacy, pharmacy practice residency at The Moses H. Cone Memorial Hospital, and specialty practice residency in Anticoagulation/Cardiology/Academia at Moses Cone Health System and Campbell University. She developed pharmacist-led clinics as Director, Cardiovascular Risk Reduction Services in a multi-specialty physician office practice affiliated with Moses Cone in Greensboro, NC from 2000 – 2011 prior to joining the Durham VA. Dr. Parker is a past-presidential officer for the NC Association of Pharmacists. She was recognized as Preceptor of the Year by UNC School of Pharmacy in 2005 and received the Upsher-Smith Innovation in Pharmacy Award for NC in 2011. Most recently, she has served on the Planning Committee for the NCAP Residency Conference. She has served as a Delegate to ASHP since 2015.

I am honored to be considered for continued service to NCAP and ASHP in the capacity of Delegate to the ASHP House of Delegates. I look forward to continued opportunities to share policy proposals and deliberations with our membership as we work to advance our profession. Thank you for your consideration.
