

# **We Need You!**

## **At Legislative Day, May 25th, 2022**

Support your profession and register today at:  
<https://ncap.memberclicks.net/2022-pharmacy-legislative-day>

An illustration of Uncle Sam, wearing his iconic top hat with stars and stripes, a blue suit, and a red bow tie. He is pointing his right index finger directly at the viewer.

**In 2021, NCAP had a record year in the legislature, helping to pass PBM legislation, advance scope of practice for pharmacists in hormonal contraception, post-exposure prophylaxis, LAI administration, tobacco cessation, and more.**

**This year will be just as busy and WE NEED YOUR VOICE as we meet with representatives to discuss PBM unfair practices, collaborative practice barriers, and equitable payment for services.**

## **NCAP Annual Convention - June 9th and 10th, 2022**

**Don't stop** with legislative day, make sure to join us at our annual convention as we discuss future advocacy efforts related to working conditions and pharmacist and patient safety
